Capital Campaign

Once in a generation, UUCWC asks its members to consider making a special gift to sustain and ensure the continuing growth of the Church, its mission and ministries. We fully recognize the diverse financial circumstances among our membership, and ask only that each member/family be as generous as their circumstances allow in support of this historic effort.

Every gift to the campaign is important and appreciated. No gift is too small – or too large! Campaign commitments may be paid over as many as five years, as indicated in the chart below.
