A Message From Our Minister

May's theme at UUCWC is Creativity! It feels fitting that the Auction should kick off such a month. Each year we watch as the Auction Team and each donation contributor transforms our sanctuary into a bustling competitive and joyous space, and fills our calendars with community, relationship, and connection.

This is the strength of our congregation — the ability to dream something beautiful into being. From our Capital Campaign musings that will become architectural drawings — already an overwhelmingly successful campaign shared with Stewardship; to a Sabbatical Team and Religious Education teachers who have taken ownership over, and loved different energy into, our children's RE in Robin's absence; to a Ministerial Intern who saw the need of a busy and hard-working people so created twice-monthly Vespers services as an offering for replenishment.

The question our resource packet on Creativity asks is easy to answer: Do you know what you are building, constructing, composing, planting or recreating with your life?

Just look around tonight as you share this Auction evening with your fellow members and friends. We are creating community, celebrating life, and changing the world.

It's not always obvious where we are headed or how we will get there, but I couldn't imagine a group of people more capable of creating something beautiful than UUCWC.

it's a Festival!

Festivals are celebrations of community, culture, religion, art, music, common purpose and also serve as vehicles to achieving these ideals. Our UUCWC annual auction certainly is a festival. Each year, we gather as a community on the first Saturday of May for a gala evening of fun, fabulous food, friends and laughter as we celebrate what we have achieved together. Leading up to the Live Auction Gala are several months of careful planning, thoughtful donation of time, energy, financial support and fun, even novel ideas that will sustain our community through the coming year. We both bond in fellowship through our annual auction and support UUCWC financially, always mindful of our seven principles and our declared purposes as a congregation.

This year's theme, "It's a Festival," celebrates each of us, our minister and staff, our new members, our com-

mon goals and principles and all that we hope to achieve in the coming years. At UUCWC, we have big dreams both for within our doors and outside of them. With your support we can achieve so much! If you are a new member, we extend a special invitation to you and hope that you will participate in the many auction events.

This program book is your guide to the many and wonderful services, physical items, meals and special events included in our 2018 Auction. There are dinners, concerts, trips, discussion groups, art, "how-to" events and so much more. Please study the program book and bring it with you to church on two Silent Auction Sundays, April 22 and April 29, to guide you through the Silent Auction bidding. Then, keep the program book handy for the Live Auction Gala on Saturday, May 5. More details follow.

DONATIONS

Silent Auction items should be dropped off at UUCWC on Friday, April 20, 7-9 p.m. (Room 101), or Saturday, April 21, 9 a.m. – noon. Live Auction items should be dropped off on Friday, May 4, 7-9 p.m. Please contact the auction team at auction@uucwc.org to make other arrangements if necessary.

SILENT AUCTION SUNDAYS

On Sundays, April 22 and 29, after each service, the auction will begin with silent bidding in the Crossings Room. You can win spots at fixed price meals and events (sign up and pay that day) and place bids on competitive items (highest bidders win after the Live Auction on May 5). Pick up your auction book and bidder number on Sunday, April 15, or at the door of the Crossings

Room. You can also pre-purchase tickets for the Live Auction Gala.

SOMETHING NEW THIS YEAR

In response to many requests to make fixed price meals and events more accessible to more people, we are requesting that, *at the first Silent Auction on Sunday, April 22, each family purchases no more than two meals and two events*. On Sunday, April 29 and at the Live Auction, there is no limit to the number of fixed price items you can purchase. We hope that this will give more people a chance to win spots at these popular meals and events.

AUCTION GALA, MAY 5

Doors will open at 5:00 p.m. A children's program will be provided (with pre-registration). Admission to the event is \$25 for adults, with no charge for children under 12.

5:00 to 6:30 – Enjoy wonderful Festival foods, prepared by fellow congregants and organized by Chef Mike Muccioli. There is something delicious for everyone, including vegetarians and vegans. Visit the sanctuary to continue bidding on competitive and fixed price items and to review the Live Auction items that will come up for bids later in the evening. And don't forget the popular Lobby Boutique. There are wonderful bargains there (cash only please).

6:30 marks the end of dinner as we move to the Sanctuary for dessert and special entertainment. Enjoy coffee and wonderful sweets as you finish up bidding on fixed price and competitive bid items.

7:30 marks the start of the Live Auction!

What's New?

After the 2017 auction, the auction committee surveyed many members of the congregation to discover what they liked and didn't like about the auction process. We talked to newer members and veterans, participants and non-participants. We had a lot of positive feedback, but some areas of frustration, too. Based on that feedback, we have made some changes to the auction for 2018 in the hopes that some of these issues will be addressed. See below for information about changes for 2018.

LET THE PEOPLE BID!

The first Silent Sunday (April 22) is pretty intense. Especially for newer members and those who may not feel very "competitive." In order to allow more people to bid on fixed price meals and events, we are asking that, on April 22 only, you limit fixed price purchases to 2 meals and 2 events per family (or a total of 4 fixed price items). After April 22, there are no limits. Buy as much as you like on April 29 and May 5.

DUMP THE CHECK-OUT SHEETS!

We are experimenting with a way to simplify buying fixed price items in the silent auction. In the past, you were required to sign the bid sheet, transfer your bid to a check-out sheet, pay the cashier and get your certificate. This year, at the silent auctions, you will sign the bid sheet, take your certificate (which is attached to the bid sheet) and pay the cashier. The cashier will stamp your certificate as paid. No transfer to the check-out sheet. No waiting in line for the certificate. This is an experiment. Let's see how it works.

MAKE MORE ROOM!

The Live Auction Gala in the Crossings Room has outgrown the space. This year during the Live Auction, all silent items will be in the sanctuary where you can continue to bid on them through the dessert period. That will make more room for food and socializing in the Crossings Room. Before the Live Auction begins, we will close bidding on the silent items so that the winners can be entered into the database. If, when you cash out, you have won a silent item, it will be right there to pick up. If it requires a certificate, you can pick that up as well on your way out.

Event Tips!

Getting the items you want in the auction takes some planning. Here are great tips from veterans.

Before the Auction:

- Use your auction book to plan ahead. Mark the items you will go for first. This year we are requesting that you limit fixed price purchases on April 22 only to 2 meals and 2 events. This will give more people a chance to win. After April 22, buy as many as you like!
- Get your bidder number early (see label on your book or at the door).
- Check your calendar in advance for dinner and event dates. There is a convenient list of all events by date in the auction book.
- Watch those silent bid sheets so you don't lose out at the last minute.

Raffle Baskets:

Buy raffle tickets at the Live Auction for a chance to win a lovely basket of goodies. Wines, gourmet foods, cosmetics and more are offered. You must be present at the Live Auction to win.

Want to win a big item? Pull together a team and:

- Agree on your maximum bid.
- Designate one person to bid for your team.
- Pick one payer to settle the account that day.

After the Auction:

- You must settle your auction account the night of the Live Auction, May 5, using cash, check or MasterCard/Visa. Note: credit card fees reduce your donation to UUCWC, so we love checks.
- Take your winnings home that night. (Volunteers must prepare the building for Sunday's service. Let us know if you can help.)
- But don't worry if you want to bid on something you can't move that night. We will help you get it home in the next few days.
- If you win a meal, event or service, don't forget to pick up your certificate. The certificate will give you all the information you need to add the event to your calendar or to make your arrangements with the donor.

New Members!

Have you joined UUCWC since Jan. 1, 2016?

We extend a special invitation and offer to newer members to take part in the UUCWC annual auction! Besides raising money for church operations, the auction provides members and friends the opportunity to get to know others through participation in dinners, events and services outside of the church. The live auction night on May 5 is a fun-filled event with great food and a live auctioneer, too.

Below are special offers especially for new members. Please consider taking advantage of these welcome offers that will help you navigate the auction.

1. Get a \$10 Credit! As a welcome to new members, your auction account will be automatically credited with \$10 toward anything you purchase at the silent or live auction. Does not apply to the Boutique.
2. Take advantage of a pre-auction tour and a chance to purchase one popular fixed price meal or event before the auction opens. This opportunity is available only from noon-3 pm on Saturday, April 21, as we finish setting up for the first silent auction Sunday on April 22.
3. Save a Seat! Because competition is fierce for favorite dinners and events, we have reserved some choice spots just for you! See the list to the right and look them up in the auction book or on the website for details. These spots will be available to new members only until either they are sold out, or the silent auction Sundays end, letting anyone bid on them during the live auction Gala. All are fixed price items, which means when you sign up for them, you pay the fixed price for them that day (cash, check or credit card). And, of course, you can bid on any other items in the auction as well.

Dinners and Events with spots saved for new members. Look up item numbers for details. Happy bidding!

A special program for kids of various ages is being planned. The program will run from 5:00 to 9:00 pm during the Live Auction on Saturday, May 5. In order to have enough activities and caregivers, **we must know in advance how many children will be coming and their ages.**

Please stop by the auction table in the lobby or Crossings Room to pre-register for childcare or let us know by email no later than April 29.

There will be pizza, snacks and drinks for all the kids. If your child has allergies or other food restrictions or requirements (especially the littlest ones) we ask that you supply that for them.

Investing is about more than money ...

Most people invest hoping to achieve something important for themselves or their family. That could come in the form of financial independence, a comfortable retirement, paying for college or protecting your family. Have you had a face-to-face conversation with your financial advisor about your goals?

At Edward Jones, we stop to ask you the question: "What's important to you?" Without that insight and a real understanding of your goals, investing holds little meaning. We take the time to build a relationship with our clients so that we can help them work toward the things that really are important.

So, what's important to you?

Contact us today for a face-to-face appointment to discuss what's really important: **Your goals.**
