

What UUCWC Children Learn Each Year

**Pre - K
Ages
3 and 4**

UUCWC is a warm and caring place where we make friends and experience a sense of wonder and respect for the world around us. We become familiar with our space and the rhythm of our Sunday mornings together, sharing stories, arts and crafts, circle time, free play, and snack.

**K - 1
UU Identity**

We are introduced to the Unitarian Universalist 7 Principles. We learn that as Unitarian Universalists we are welcoming to all people, we care for others, create a fair and peaceful world, love the earth and are true to ourselves.

**2 - 3
UU Identity**

We learn who Unitarian Universalists are, what we believe, and how we live our faith. We discuss the connection between the choices we make in our lives and the beliefs and attitudes we hold as Unitarian Universalists.

We learn the best-known Hebrew and Christian stories from the Bible. We explore connections between biblical events and UU principles, and between biblical ideas and our own lives.

We nurture our spiritual, emotional and intellectual growth, while developing leadership skills, building community, and serving the wider community. Activities include worship, learning, games, overnights, social action, and youth conferences.
