# Together wherever we are

## A Message from Rev. Kim

Over the last year and more, UUCWC has proven once again to be nimble, resilient, and uniquely whole-hearted. Though we never needed the les-

son, it resides on our hearts now just how important this community is; how precious sharing space can be; how life-giving a handshake or hug — that expression of connection — is; how joyful it is to sing and make noise with one another.

Yes, in this last year and more, we were confronted with lessons we did not need and were forced to rework every single part of our lives. And so, it is something to celebrate that we choose to reimagine every single part of being in community, of being in religious community, with one another.

Our Auction has always been at the heart of our community and this year is no different. Your Auction Leadership Team and the dozens of congregants who make their vision possible, are the sharpest example of our persistent commitment to one another and creative force. I have no doubt that we will each find familiar and new ways to connect, uncover joy, and marvel at how we are together (wherever we are) because of their efforts.

Enjoy what you find in the pages ahead. Give thanks. And share in the celebration of what has been reimaged.

Rev. Kim

## Auction 2021

The 2021 Auction, *Together Wherever We Are*, is a Fun-raiser and Fundraiser all in one! It is our second year to hold the Auction online. Through the Auction offerings provided by our generous members and local businesses, you will find opportunities to **create community and celebrate life**. We bond both in fellowship and support UUCWC financially, always mindful of our eight principles and our declared purposes as a congregation.

### AUCTION PROCEEDS HELP US FULFILL OUR MISSION

Our annual Auction supports all that we hope to achieve in the coming years. Auction proceeds are a significant source of funding for UUCWC's annual operating budget. And if there is a surplus of auction revenues after meeting the targeted budget amount, 50% of that surplus will be donated to a social justice program selected by the Council for Faith in Action. This year's recipient will be the Bucks County Opportunity Council, a nonprofit dedicated to reducing poverty and promoting economic self-sufficiency while serving as the county's lead food agency for families in need. See more information on page 33.

This program book is your guide to the many wonderful services, workshops, physical items, meals, custom food delivery and special events included in our 2021 Auction. *There is something for everyone, at every price point.* While some

items may require rescheduling or will be reimaged as “virtual” or video events, we encourage buyers and sellers alike to be flexible in these challenging circumstances and follow social distancing guidelines to ensure our health and safety.

With your support we can achieve so much! And if you are a new member, we extend a special invitation to you and hope that you will participate in the many auction events.

## ITEM CATEGORIES

### RAISE A PADDLE TO SUPPORT THE AUCTION FUND (FIRST ITEM, #100)

While there is no registration fee, you can donate to UUCWC’s Auction and “raise a paddle” to help defray costs and meet our financial goals. At live auctions, the paddle is raised for bidding. While we won’t have an auctioneer to see your bid, select item #100 and choose your donation amount.

*As in previous years, there are two main types of items:*

- **Fixed-Price**, which includes meals, some custom foods, and events
- **Competitive Bidding**, which includes services, workshops, physical items, and gift cards to local businesses.

### FIXED-PRICE PURCHASES (100s, 200s, 300s) BUY NOW

All fixed price items are purchased at the stated price, not through competitive bidding. Certificates will be issued to buyers, and donors will be notified of all the successful buyers.

**101–199:** themed meals in UUCWC members’ homes or hosted at local restaurants. Meals are among the most popular auction offerings, and often go quickly.

*Note:* To make these items accessible to more people, we ask that, for the first day of the online auction, each household purchase no more than two meals in this category. After that, please log back in and purchase as many as you like through May 8!

**200–299:** events, delivered food and fixed-priced services. No limitations on purchasing.

**300–399:** events with 20 or more spaces. No limitations on purchasing.

*Note:* You must complete the purchase of each fixed-price item separately. It only takes a few seconds. **You cannot fill a “cart” of fixed-price items.** For each item you purchase, you will immediately receive a confirming email.

### COMPETITIVE BIDDING (400s, 500s, 600s, 700s)

Here is where you get a chance to outbid others and win the item. Check back often throughout the week to see if you have been out bid and to enter a new bid.

**400–499:** services (such as handyman), custom food delivery, memberships or tickets to cultural events, special trips and more. The winning bidder will receive a certificate from the UUCWC Auction Team, and item fulfillment will be arranged with the donor.

**500–599:** physical items such as hand-crafted tables, jewelry, theme baskets and more.

While we cannot display items in person this year, you will see photos of the items online. After the online bidding closes, the Auction Team will facilitate the exchange of the item from donor to winning bidder.

**600–699:** gift cards for food, many of which were donated by local businesses.

**700–799:** gift cards for services or items, many of which were donated by local business.

*Note:* At the end of the Auction, you will receive an email confirmation of each competitive bid item you have won.

Please see the listing of our business sponsors at the back of the book and be sure to thank them for their generosity!

## TAKE THE FIRST STEP AND PRE-REGISTER

Beginning on Saturday, April 17, you can pre-register through this link to the Auction online:

<https://www.UUCWCauction@asimobile.net>

This link can also be found on the UUCWC website Auction [page](#). It's good to pre-register, but registration will also be open through the auction from Saturday, May 1, at 9:00 am. to Saturday May 8 at 11:59 pm.

The registration process is simple. First, you must create a password and provide credit card information. At this time, UUCWC does not accept American Express. You may switch to a different card at the point of purchase. We are using a secure credit card processing service which will delete all your information after the end of the auction.

The Online Auction goes live May 1, 9:00 am. and runs through Saturday, May 8, 11:59 pm.

Special Feature: The Auction Online website highlights special items and also indicates items that are currently without any bids — you might be the lucky bidder! And keep your eye on the front page for updates. Note: If a fixed-price item is sold out, it will no longer appear for sale.

Online Categories: In addition to item numbers, you will be able to search items by categories such as Cultural, Dinners, Games/Sports, Home Accessories, Jewelry/Health/Beauty, Trips, and Workshops.

***Thank you for your participation in the 2021 Auction and good luck!***

## 100 • Support the Auction • Raise a Paddle!

If you are able, please donate to the auction in lieu of a registration fee and “raise a paddle” to help defray costs for this online event. Just what does raise a paddle mean? At live auctions, the paddle is used for bidding. While we don't have an auctioneer to see your bid, click on this item and choose your amount. Your support of this fund will help us meet UUCWC's financial goals for the current fiscal year. Auction proceeds support our church annual operating budget and, after our targeted budget amount is met, 50% of those proceeds are designated for social justice programs. This year's recipient, selected by the Council for Faith in Action, is the Bucks County Opportunity Council. Unlimited winners for this category... be one! Thank you for your support.
