BOOK DRIVE

For Kids

Some Libraries in Trenton are closing.
We can help create libraries in
Trenton Classrooms.

We're partnering with the Har Sinai Temple and Senator Turner (NJ) to create classroom libraries to fill the void created by the closure of some public libraries in Trenton.

Donate your gently used children's books (K through 3) to help fill the shelves of the classroom libraries.

Place your books in the basket in the Lobby at UUCWC. Or see the UUCWC web site for other options.
