

# OUT OF THIS WORLD-AUCTION 2010

**Only you can make UUCWC's biggest fundraiser of the year, our Annual Auction, truly *OUT OF THIS WORLD!***

**The fun events, valuable items and unique services you offer or purchase at our annual auction provide opportunities to get to know each other better and have new experiences while benefiting the finances of UUCWC.**

**But we must start planning now for a successful auction on Saturday, May 1st. The auction committee is already hard at work and many people have stepped forward to lend a hand with planning and logistics. Next step is to gather the all important donations that only you can provide.**

**Stumped about what event, service or item you might offer? Auction Committee members have a suggestion sheet to share and will be glad to discuss your ideas. Committee members will be easy to identify in the lobby and Crossings Room throughout February and March. Or contact auction chairpersons June Vogel or Connie Schofer.**
