Covenant of Right Relations

Because of our uniqueness and our diversity, we sometimes fall short of peacefully resolving our misunderstandings and difficulties. I am mindful, that as an individual and as a member of this community, I am accountable for my words, deeds, and behavior. Therefore, whenever we worship, work, or relate to one another, I covenant that I will:

- Acknowledge all with kindness and care, dignity and respect;
- Foster an environment of compassion, generosity, fellowship, and creativity;
- Share in the responsibilities of congregational life;
- Speak truth as I experience it and earnestly and humbly listen to all points of view;
- Act with respect and humility when I disagree with others;
- Acknowledge my uncertainty when I recognize it;
- Seek out understanding and wisdom in the presence of conflict;
- Be true to my chosen path although the way may twist and turn, and support others on their journeys;
- Resolve conflicts through intentional compromise and collaboration and, when necessary, request facilitation and/or mediation.
